

IPGA Summer Event

August 7-9, 2018

Starved Rock Lodge, Utica, IL

Join us for the IPGA 2018 Summer Event at the beautiful Starved Rock Lodge in Utica, IL.

Explore nature's beauty with a guided tour at the Starved Rock State Park on August 7th. That evening, join us for a progressive dinner-style evening where we will board the trolley and head to downtown Utica. The first stop is at August Hill Winery where guests will get to sample a flight of three wines and enjoy three appetizers. The tasting room will be open for additional purchases from August Hill Winery and Illinois Sparkling Company.

Next, it's off to Ottawa to experience the Lone Buffalo and Tangled Roots Brewing Company. Three petite entrees and a flight of three craft beers will be the offering. After dinner, the trolley guests return to the Lodge for a flight of three mini-desserts and a trio of after-dinner drinks.

IPGA Summer Committee and Board Meetings will take place August 8th & 9th.

The evening of August 8th, IPGA will be hosting a reception for all members.

If you are planning on staying overnight, we have a block of rooms available August 7th – 9th. For reservations, please contact Starved Rock Lodge (815) 667-4211. Rooms are only reserved until July 30, 2018.
