

CETP & IPGA Advanced Training

2017

Class Schedule and Registration

The following schedule is subject to change at any time. Class sizes are limited and registrations are accepted on a "first come, first served" basis. To check on seating availability for any class, please contact the IPGA at 800/727-6207.

Illinois propane marketers who actively participate in the IPERC program may attend CETP and IPGA Advanced classes at no charge at the IPGA Office. However there will be a \$25.00 per person charge for all classes held at off site locations. Your IPERC dollars cover registration, lunch and classroom materials only. Individual companies are responsible for travel, additional meals and lodging. Please check the class you wish to attend; fill out the registration information and fax to 217/529-8482 or email adevos@ilpga.org.

Note: A ONE TIME \$50 deposit is required from each Marketer registering anyone for CETP and/or IPGA Advanced class. Notice of participant cancellation MUST be received at least one week prior to the scheduled class date. If cancellation is not received in advance a \$50 non-cancellation charge will be invoiced and the \$50 deposit used to pay that invoice. An additional \$50 deposit will then be due for any new registrations. Each company will have the option at the end of each year to have the deposit refunded or have IPGA retain the deposit for the next year. You must contact the IPGA if you want to have the \$50 returned. (If you are unsure if your company has a deposit on file, please contact Amy at 800/727-6207.)

Class sizes are limited, so do not delay in returning your registration.

First Day of all CETP classes begins at 10:00 AM
